Values for the Month: Resourcefulness and Simplicity

Dear Guardians and Parents,

Greetings of peace and joy!

As we continue to strengthen our commitment to quality Catholic education, here are the important events and activities for the month of September:

1. PEAC Recertification for Quality Assurance (September 4)

Our school is undergoing the PEAC recertification process to ensure that we maintain the highest standards in delivering quality education. We thank you for your continued support and cooperation as we comply with the necessary requirements.

2. Birthday of Mama Mary (September 8)

We joyfully celebrate the Nativity of the Blessed Virgin Mary, honoring her life as the Mother of our Savior. A special Mass and simple Marian devotion will be held to deepen our students' love for Mama Mary.

3. Report Card Distribution (September 12)

Report Cards for the First Grading Period will be released this month. This serves as an opportunity for parents and teachers to discuss students' progress and provide guidance for continuous improvement.

4. Science Month Celebration

In line with the nationwide celebration of Science Month, our school will hold various activities promoting curiosity, discovery, and innovation. Students will participate in contests, exhibits, and collaborative projects highlighting the importance of science in daily life.

We encourage everyone to take part in these events as we continue to foster academic excellence, spiritual growth, and holistic formation among our learners.

For your information and guidance please refer to our September calendar.
